Dear Lukasz

I just wanted to contact you and let you know how pleased we are with the work you and your Stagehands have done in Oslo, Norway. Even though we worked together in Copenhagen, it was first time we hired you directly to help us with set-up and load out Sensation. I was very impressed with the professionalism, hard work and reliability of your guys and was even surprised how well they communicated in English.

In the end we reduced our stagehand costs by around 20% by using your guys instead of a local stagehands company, so it also made good business sense.

Neon CPH looks forward to doing business with you for a long time to come!

Sincerely

Rakesh Singh
